

# LATINA TECH BESTIE

DESIGNER, GAMER AND CREATOR

**WELCOME** to the world of a dynamic and passionate Latina Twitch streamer and content creator! With a deep love for gaming, particularly Valorant, and a knack for PC building, I'm dedicated to providing top-notch entertainment while sharing valuable insights on streaming and content creation for aspiring streamers.

My journey began with a profound passion for gaming that has evolved into a full-fledged commitment to fostering a friendly and enjoyable atmosphere for my viewers. By combining my expertise in PC building with a genuine desire to connect with my audience, I strive to create memorable experiences that resonate with gamers of all backgrounds.

As a Latina Twitch streamer, with a BFA in Digital Design, I am able to curate captivating content that seamlessly merges aesthetics and functionality. I bring a unique perspective to the gaming community. Embracing my cultural heritage, I aim to break barriers and inspire others by demonstrating that diversity enhances the gaming space. Whether it's engaging in captivating gameplay, showcasing a day in the life, or offering advice on streaming and content creation, I consistently strive to empower and uplift fellow gamers.

## ASUS X SOAR

### Collaboration #BUFFUPWITHASUS

This was a 6-month project. The deliverables consisted of Instagram posts, YouTube videos, and TikTok videos

My most popular YouTube video from this collaboration was building my dream PC and unboxing all of the ASUS products. You can find these video on my YouTube Channel.
